

LITTER

Litter and trash are bad for business and harm the health of creeks and the Bay.

- Provide enough trash receptacles for customers and employees. All outdoor receptacles must be covered.
- Pick up litter *daily*. Maintain the sidewalk in front of your business so that it is free of litter and dirt. Don't wash into street or storm drain.
- Any creek passing through or next to your property must be maintained free of trash and debris.
- Encourage your customers to bring their own reusable bags instead of using polystyrene containers and plastic bags. These types of disposables increasingly are being outlawed because of the pollution they create.
