Memorandum of Understanding

Forward

The District and the Union recognize that the work environment and the nature of work are changing and will continue to change in the future. We are committed to working jointly to address that future, and to making the necessary changes in the most productive way for all stakeholders.

With this Memorandum of Understanding, we have attempted to build a foundation using mutual respect, open communication and trust. The Union and Management recognize that each party has a distinct and separate role in the organization. We also want to acknowledge that we have found many common interests and that we share the mutual goal of the continued success of Union Sanitary District.

Management recognizes that the Union is a stakeholder in the District, is accountable to its constituents, and wants to have the employees meaningfully involved in determining the direction of the organization. The Union recognizes that Management is accountable to the District's Board of Directors and is responsible to ensure that the organization is competitive within the industry and operates in the best interests of its ratepayers. Collectively, we are committed to the collaborative framework we have created to achieve these goals.

Both parties are jointly committed to the long-term success of the organization and recognize that perseverance, patience and a lot of hard work lies ahead. This commitment is demonstrated through the joint labor-management committee, Steering Committee, and team-based organization. We recognize that communication is the cornerstone of the relationship that we are building. The union officers and management understand that there will be disagreements; and we are committed to maintaining communication and using collaborative methods, such as interest-based problem-solving, to address issues and to resolve our differences. One way of doing this is through the Joint labor-management committee (JLMC). We envision the JLMC as the steward of this Memorandum of Understanding, facilitating its implementation and providing interpretation of its intent when disagreements arise.

The Union and the District share a mutual goal: We want to improve the quality of life in the working environment for all employees and provide superior customer service through an efficient operation. We believe that we can learn from each other through ongoing interaction and by acknowledging successes along the way. With everyone working together we can fulfill this goal, achieve the District's Mission and strategic objectives, and develop a relationship that makes Union Sanitary District a truly excellent place to work.

Preamble

The authorized representatives of Union Sanitary District (herein called "District") and Service Employees International Union Local 1021 (herein called "Union") have heretofore met and conferred in good faith as required by law.

The District and Union have freely exchanged information, opinions, and proposals and each has fully considered presentations made by each other. As a result, the aforesaid have reached the following understanding which, in accordance with Section 3505.1 of the California Government Code, has been presented to the Board of Directors of Union Sanitary District for determination. This Memorandum of Understanding (MOU) shall apply equally to all classified employees of the District represented by the Union and is subject to all existing laws of the State of California applicable to the District, including the Meyers-Milias-Brown Act (Section 3500-3510 of the California Government Code), ordinances, resolutions, and administrative rules of the District, except as expressly provided to the contrary herein.

Service Employees International Union, Local 1021 is the exclusive recognized representative of all classified employees of Union Sanitary District as specified in the Salary Schedule.

The following are the Rules and Regulations as agreed upon between Union Sanitary District and Service Employees International Union Local 1021.

SECTION 1 DISTRICT RIGHTS AND RESPONSIBILITIES

1.1 General

The rights of the District include, but are not limited to, the exclusive right to determine the nature and extent of services to be performed, as well as the right to determine and implement its public function and responsibility; manage and control all property, facilities, and operations of the District, including the methods, means, and employees by which the District's operations are to be conducted; determine the size and composition of the workforce; determine the procedures and standards of selection for employment; relieve its employees from duty because of lack of work, funds, or for other legitimate reasons; maintain the efficiency of governmental operations; determine the content of class descriptions; take all necessary actions to carry out its mission in emergencies; exercise complete control and discretion over its organization and technology of performing its work; and take such other and further action as may be necessary to organize and operate the District in the most efficient and economical manner and in the best interest of the public it serves.

1.2 Management

The management rights of the District to promote, demote, reprimand, suspend, discharge, or otherwise discipline employees for cause are subject to the grievance procedure hereinafter provided.

SECTION 2 EMPLOYEE RIGHTS

2.1 General

Employees of the District shall have the right to form, join, and participate in the activities of employee organizations of their own choosing for the purpose of representation on all matters of employee relations, including, but not limited to, wages, hours, and other terms and conditions of employment. No employee shall be interfered with, intimidated, restrained, coerced, or discriminated against by the District or by any employee organization because of exercising these rights.

2.2 Union Rights

The District agrees to withhold Union dues from all union members at an amount to be determined by SEIU 1021 and communicated to the District annually, and SEIU 1021 agrees to provide the District, on a quarterly basis (in January, April, June, and September of each year), a certified list of members and a statement that SEIU 1021 has and will maintain written authorizations signed by the individuals from whose salary or wages the union dues deduction are to be made, and a statement that SEIU 1021 shall indemnify the District from any claims made by the employee for deductions made in reliance on that certification, in accordance with Government Code §1157.12(a).

The parties agree that SEIU 1021 will furnish a copy of signed authorization forms of new employees during the onboarding process to payroll so that payroll can maintain a proper audit trail.

The parties agree that District shall automatically cease deductions for any employee who is no longer employed in a classification represented by the Union.

SEIU 1021 shall indemnify and hold harmless the District, its officers and employees, from and against any and all loss, damages, costs, expenses, claims, attorney fees, demands, actions, suits, judgments, and other proceedings arising out of any action resulting from this provision.

2.3 Hold Harmless

Service Employees International Union, Local 1021 shall defend, save, indemnify, and hold harmless the District and its officers, agents, and employees from any and all liabilities and claims for damages from any cause whatsoever arising from, connected with, or on account of enforcing Section 2.2 of this agreement on behalf of the Union.

In addition, Service Employees International Union, Local 1021 shall reimburse the District for any and all costs incurred by the District, excluding legal fees, relating to any dispute arising from the Agency Shop provisions.

2.4 Representatives

SEIU, Local 1021 may select a reasonable number of employee members of such organization to formally meet and confer at scheduled meetings with District representatives on subjects within the scope of representation, during regular work hours without loss of compensation, subject to the following.

- No employee representative shall leave his/her duty or work station or assignment without specific approval of the employee's coach or manager.
- Such meeting is subject to scheduling by District management in a manner consistent with operating needs and work schedule.

Nothing provided herein, however, shall limit or restrict District management from scheduling such meetings before or after regular duty or work hours under appropriate circumstances.

SECTION 3 RIGHTS OF RECOGNIZED ORGANIZATIONS

3.1 Scope

Recognized employee organizations have the right to represent their members, and meet and confer in good faith, concerning all matters relating to employee relations, except that the scope of representation shall not include consideration of the merits, necessity, or organization of any service or activity provided by law or executive order, nor shall it include any of the District's rights as set forth in Section 1 hereof.

3.2 Notice

Except in the case of emergency, each affected recognized employee organization shall be given reasonable notice of any ordinance, rule, resolution, or regulation directly relating to matters within the scope of representation proposed to be adopted by the District's Board of Directors and shall be given the opportunity to meet with said body or representative as designated by the Board prior to adoption.

SECTION 4 EMPLOYMENT STATUS

4.1 Employment Designation

4.1(a) Full-Time

A full-time employee shall be scheduled to work a forty (40) hour workweek within a seven (7) day work period. Full-time employees may work an alternate work schedule. Due to changes in the alternate work schedules, full-time employees may, on occasion, work less than a 40-hour workweek with the approval of their coach or work group manager. All benefits are based on full-time equivalent hours unless specified otherwise.

4.1(b) Part-Time

A part-time employee shall be scheduled to work a minimum of twenty (20) hours per week. Part-time employees' benefits (medical, dental, vision, life insurance, and short-term disability) shall be prorated based on their hours worked during the pay period. (All benefits provisions and accumulations provided in the Memorandum of Understanding are based on full-time employment.) Employees working less than thirty (30) hours are not eligible for the long-term disability insurance. All vacation, holiday, HEC, sick and other leaves shall be accrued on a prorated basis.

4.1(c) Casual

A casual employee shall be scheduled to work less than twenty (20) hours per week or is scheduled to work on an as-needed basis which does not exceed an average of twenty (20) hours per week in any six (6) month period. Casual employees shall not be eligible for benefits or accrued leaves.

4.1(d) Temporary

A temporary employee shall be scheduled to work on a full time or part-time basis for a temporary period which will not exceed six (6) months. Temporary assignments may be extended beyond a six (6) month period by mutual agreement between the District and the Union. Temporary employees shall not be eligible for benefits or accrued leaves.

4.1(e) Limited Term

A limited term employee shall be scheduled to work on a full-time basis for a temporary period which is greater than six (6) months but does not exceed two (2) years. The limited term assignment may be extended up to twelve (12) months by mutual agreement between the District and the Union. Prior to recruiting for the limited term appointment, the District shall outline the scope of work which is to be performed and the expected time frame of the limited term appointment. The limited term employee shall be hired using the process which is provided in Section 20 of the MOU. A limited term employee shall receive the same salary and benefits which are provided to a permanent employee in the same classification. In the event the employee is hired for a permanent position without a break in service from the limited term position, the employee shall receive seniority credit for all purposes for the time served in the limited term position.

A limited term employee will be considered an internal candidate for any recruitment which may occur while the employee is working.

4.2 Original Date of Hire

The date the employee begins work for the District.

4.3 Anniversary

The date the employee begins work in a particular position. This is subject to change by personnel action such as a promotion or demotion.

4.4 Years of Service

For benefits related to years of service:

- For Full-Time Employees and eligible Limited Term Employees, the original date of hire will be used to determine years of service.
- For all other employees, years of service will be determined based on the number of hours while in an active employment status, except for eligibility for step increases, which will be based on Original Date of Hire.

4.5 Seniority

Seniority is defined for each employment designation as follows:

- Full-Time Employee – Seniority shall be defined as the employee's original date of hire with the District.
- Part-Time Employee – Seniority shall be based on the number of hours while in an active employment status.
- Casual Employee – Seniority shall be based on the number of hours while in an active employment status.
- Temporary Employee – Seniority shall be based on the number of hours while in an active employment status provided that the employee does not have a break in service between the employee's temporary employment and appointment as a regular employee.
- Limited Term Employee – Seniority shall be defined as the employee's original date of hire with the District, provided that the employee does not have a break in service between the employee's limited term appointment and their appointment as a regular employee.

Seniority is defined as above except as provided herein.

Employees who move from non-bargaining unit positions to bargaining unit positions after March 1, 2007 will have seniority as follows:

- For the purpose of a layoff, seniority is defined as the employee's original date of hire with the District.
- For all other purposes under the Memorandum of Understanding, seniority is defined as the employee's original date of hire with the District minus any hours spent in a non-bargaining unit position.

In the event that a non-bargaining unit employee is involuntarily assigned to a bargaining unit position, the Union and the District will meet and confer regarding the impacts of the assignment.

4.6 Probationary Period

For new employees, the probationary period shall be nine (9) months with three (3) informal check-ins, two (2) prior to six (6) months, and one (1) prior to the end of the eighth (8th) month. Additionally, subject to the conditions contained herein, the probationary period may be extended up twelve (12) months by mutual agreement of the District and the Union. New employees will be provided a performance expectation plan and will have a formal evaluation at six (6) and nine (9) months. If the employee is not provided a performance expectation plan and an evaluation does not occur, the probationary period will not be extended. The Union will be provided notice of any probationary period extension.

Each workgroup will assess the probationary period of their new employee at five (5) months. A joint group of two (2) classified, with direct knowledge of position and person and two (2) unclassified members from the workgroup will determine if a six (6) month probationary period is sufficient, or if the full nine (9) months is required. If the group cannot reach consensus then the Workgroup Manager will make the final decision.

The nine (9) month probationary period will be evaluated after three (3) years to determine effectiveness and may be continued or modified as recommended by a Joint Labor-Management Task Force and approved by side letter agreement.

Probationary employees may use any Sick or Holiday of Employee Choice (HEC) hours granted and vacation leave as accrued.

For promoted, transferred or demoted employees, the probationary period shall be six (6) months. The employee will be provided a performance expectation plan upon promotion/demotion.

After an employee is promoted, if the District determines the employee unqualified at the end of the full probationary period, the employee may be returned to the position previously held. Probation will be waived if the employee returning to the previously held position was a permanent employee under that classification.

4.7 Promotion

A promotion is the result of reassignment of an employee to a position in a class with a higher maximum salary. Since the promoted employee is entering a new position with new duties and responsibilities, the promoted employee embarks on a new probationary period. The promoted employee also is given a new anniversary date which is the effective date of the promotion.

4.8 Transfer

A transfer is the result of a horizontal reassignment to a new position of the same salary but not necessarily the same classification title except as provided in Attachment B.

4.9 Demotion

A demotion is the result of a reassignment of an employee to a position in a class with a lower maximum salary. In this action the employee is assigned a new anniversary date and embarks on a new probationary period unless demoted to a class previously held.

When an employee is unable to satisfactorily meet the requirements of his/her work, he/she may be demoted by the District to a lower classification.

When an employee is involuntarily demoted to a lower position not previously held, such demotion will not replace a permanent employee.

The District may also demote or transfer employees due to lack of work.

When an employee is unable to perform his/her work satisfactorily due to a job-connected injury but is able to perform work satisfactorily in a lower classification, the District may assign the employee to work in the lower classification, although it may mean laying off a permanent employee in that lower

classification who has less seniority. The decision as to the employee's performance ability will be made by the District.

4.10 Temporary Assignments

Temporary job assignments of employees not to exceed thirty (30) continuous days will be made when deemed necessary by the District to augment crews due to work load.

Temporary job assignments of employees exceeding thirty (30) continuous days will be made when deemed necessary by the District to replace employees on any leave or for any reason that is temporary in nature.

Employees available for temporary job assignments will be considered on the basis of both abilities to perform work and seniority.

If two employees have equal ability, seniority will govern.

SECTION 5 COMPENSATION

5.1 Schedule of Salaries

The salary plan shall provide five salary steps for all classes of positions in the classified service. Salary step increases shall be earned, shall be subject to satisfactory service, and shall not be considered a right of the employee. After an employee completes twelve (12) months of continuous service in the same position except as provided in Section 5.1 (a) and 5.4 below, the employee may be advanced to the next higher rate of compensation as set forth in the schedule upon recommendation of the coach and approval of the manager (see provisions of this Section below). After the employee has satisfactorily completed twelve (12) additional months of service at that step, he/she may be advanced to the next step upon recommendation of the coach and approval of the manager. After reaching step 5 (upon recommendation of the coach and approval of the manager), the employee shall remain at the same rate provided for at step 5 while he/she continues to serve in the same position, subject to satisfactory service.

5.1 (a) The salary of an employee who has been promoted will be set at a step in the new range that is at least five percent (5%) above his/her existing salary, but not greater than Step 5 of the new salary range at the time of promotion.

5.1 (b) An employee who is has been promoted within a class series shall be eligible for the next highest salary step in the following manner:

If the employee received an increase of 6% or less upon promotion, the employee shall be eligible for the next salary step increase upon completion of 12 months of continuous service in the new classification.

If the employee received an increase of greater than 6% but no more than 7%, the employee shall be eligible for the next salary step increase upon completion of 15 months of continuous service in the new classification.

If the employee received an increase of greater than 7% but no more than 8%, the employee shall be eligible for the next salary step increase upon completion of 18 months of continuous service in the new classification.

If the employee received an increase of greater than 8% but no more than 9%, the employee shall be eligible for the next salary step increase upon completion of 21 months of continuous service in the new classification.

If the employee received an increase of greater than 9%, the employee shall be eligible for the next salary step increase upon completion of 24 months of continuous service in the new classification.

The employee will be eligible for subsequent step increases, if available, upon completion of each 12 months of continuous service in the new classification.

- 5.1(c) A new salary schedule will be created based on keeping the current step 5 and adjusting all prior steps, so that there is 5% between steps.

Effective June 6, 2013, the new schedule will apply to classifications in which all employees are currently at step 5, new employees and employees who promote into a new classification.

Employees who are currently at steps 1-4 shall remain on the salary schedule in effect prior to June 6, 2013 until they reach step 5 or promote into a different classification.

5.2 Salary Increases

- 5.2(a) Salary increases for the term of this MOU will be based upon the Consumer Price Index for All Urban Consumers (CPI-U) on the December to December average. The range for the cost of living adjustments (COLA's) will be 3.25% (Minimum) to 4.5% (Maximum).
- 5.2(b) Salary adjustments will take place each year during the pay period that includes March 1.

- 6.1(e)** Additionally, employees may be required to adjust their hours on occasion to meet contractor/project work-hour needs. Employees are expected, if necessary, to adjust daily work hours to provide needed coverage in the absence of another employee in their work group.

6.2 Shifts Defined

- 6.3(c)** The proposed alternate schedules will address the following areas: safety, productivity, minimal staffing, adequate supervision, customer input and a description of how the work will get done, including staffing for holidays, vacations, sick leave, and overtime. (Teams should use the template provided to submit schedule.)
- 6.3(d)** Schedules must comply with the Fair Labor Standards Act (FLSA).
- 6.3(e)** Management and the Teams will agree on Performance Measures and/or Service Levels including unscheduled leave usage and overtime. Alternate schedules shall not increase the use of overtime or sick leave. The Team will include how agreements will be met in their submittals. Service Level Agreements between affected teams must be in place prior to development of an alternate schedule.

Alternate schedules which are developed by the team will be reviewed by the Executive Team prior to the trial period. In the event that the joint group cannot agree upon an alternate schedule, the decision to work an alternate schedule will be made by management.

- 6.3(f)** Any new schedules will be done a trial basis. Criteria will be developed which will be used to evaluate the schedule at the end of the trial period.
- 6.3(g)** Management will notify the Team when service levels and/or Service Level Agreements are not being met. Notification must include what service levels and/or Service Level Agreements are not being met and the timeframe in which the team must respond. Examples of service levels and/or Service Level Agreements not being met are an increase in leave usage, incomplete work assignments, customer complaints, or jobsite safety violations. Examples of response times required to correct deficiencies and/or meet the service levels and/or Service Level Agreements can vary from one work-day for safety and customer complaints, up to six (6) work-days to develop an action plan which addresses leave usage, staff coverage, and Service Level Agreements.

- 6.3(j)** Overtime will be assigned as necessary to meet District needs. Assigned work on the employee's alternate work-day off will be compensated as overtime.

6.4 Scheduling and Shift Assignment

- 6.4(a)** Management holds the right to determine minimum daily workforce requirements, which includes qualification/skills and staffing components. Teams may participate in the discussions regarding the determination of minimum daily workforce requirements.
- 6.4(b)** Decisions about how to meet daily workforce requirements will be made by the teams. This includes vacation, holidays, other reasons away from work (e.g., conference and meetings), overtime (who gets it) and shift assignments.
- 6.4(c)** The procedure(s) for deciding overtime, shift assignments and coverage, which includes vacation, holiday, and other reasons away from work, will be determined by the team in accordance with each team's decision-making process.
- The team's procedure must ensure that the District's operational needs are met.
 - The team's decision will not be modified more often than once a year.
 - The team may incorporate seniority into the procedure.

Management will ensure that the procedure agreed to by the team is followed.

- 6.4(e)** If a team cannot agree on a procedure for deciding vacation, holiday, and other reasons away from work, the following procedure will be utilized:
- Selection will be made by District seniority.
 - To qualify, selections must be made by November 30th of each year, for the following calendar year.

1. For the purpose of this section, a shift change shall be defined as a scheduled change from the employee's normal shift to a shift which starts 4 or more hours before their normal start time.
2. When an employee is required to make a shift change to conduct scheduled work on a graveyard shift, the employee will earn two and one-half (2.5) hours of vacation for each scheduled event in which the employee participates. Events may be a single day or multiple days. If the scheduled event is cancelled before the employee reports to work, the employee will not receive the vacation credit.

3. If an employee receives less than 48 hours' notice for the scheduled work requiring a shift change, the employee will receive an additional 3 hours of compensation at their normal rate of pay.
4. If an employee leaves his day shift early for the rest period prior to the night shift work and has worked less than his/her normal shift hours, the District will allow the employee to use Administrative Leave to complete his/her shift for that day.
5. If the night shift work is completed before the employee completes his/her normal scheduled number of work hours, the District will make additional work available for the employee so that he/she may work a full shift. If the employee chooses to go home early, he/she will be required to use vacation, HEC, or AWIP leave to complete a full shift.
6. Employees will receive shift differential in addition to the above.

6.6 Rest Periods – Unscheduled Work

When an employee is called back to work and completes the unscheduled work within 7 hours of his/her scheduled shift, the employee will be provided with a 9-hour rest period before their next work assignment. Before leaving work, the employee will notify their Coach that they are taking a rest period. Before returning to work, the employee will contact their Coach.

If there are at least 3 hours remaining in their regular shift, the employees will work the remainder of the shift and the balance of hours will be made up by Paid Administrative Leave. If the employee requests not to return to work, and the Coach agrees, the employee may utilize discretionary leave for the remaining hours in their regular shift.

If there are less than 3 hours remaining in their regular shift, the employee will not return to work. The coach may reassign the remaining hours to be worked on another day(s) during the same work week or the employee may use discretionary leave for the remaining hours, if the Coach agrees. The balance of the hours will be Paid Administrative Leave. If additional hours or assignments are not available, the Coach may elect to pay all of the remaining hours with Paid Administrative Leave.

In the event that the employee is called back to work within two (2) hours of the start of the employee's normally scheduled shift, the employee shall remain at work and complete the shift and the employee shall not be eligible for a rest period.

In the event that overtime following the close of shift is determined by management to involve one (1) or more hours, a fifteen (15) minute rest period will be granted prior to the start of said overtime. A fifteen (15) minute rest period will be granted for each two (2) hours of overtime worked.

6.11 Vehicle Use During Lunch

Employees on jobs in the field who desire to purchase food or non-alcoholic beverages will be permitted to use a District vehicle, if available, for that purpose during their lunch period.

Due to the nature of work at the wastewater treatment plant, employees in the operating groups are provided with uniforms that frequently become soiled in the course of performing their jobs. Such employees may use one District vehicle to make a single trip for the purpose of purchasing lunch. The use of more than one District vehicle during the lunch period for such purpose will result in the loss of this privilege. All other employees who wish to purchase food off-site during the lunch period are expected to use their own vehicles to do so.

SECTION 7 OVERTIME

7.1 Overtime

7.1(a) Work performed in excess of forty (40) hours in the workweek; and work performed in excess of eight (8) consecutive hours in one (1) day or work performed in excess of the employee's normal scheduled day, whichever is greater (exclusive of the meal period and alternate work schedules), shall constitute overtime. 7.2(a) Flex Time is eliminated to ensure compliance with labor law. All employees will receive an additional 10 hours to their Holiday of Employee's Choice (HEC) bank due to the elimination of Flex Time. Employees called back to work on a holiday shall receive a minimum of three (3) hours' pay at the overtime rate. This provision does not apply to instances in which the employee is scheduled to report before the employee's regular starting time and is held at the work site from the time the employee reports until the end of the employee's normal shift.

Separate lists will be established for Instrument Technicians/Electricians and Mechanics. One (1) Mechanic and one (1) Instrument Technician/Electrician will be scheduled for each on-call period. Management, consistent with Team agreements, will assign on-call duty. On-call duty will be assigned only during hours when employees are not regularly scheduled to work. An employee who is off work due to vacation, sick leave or other time off will not be assigned on-call duty on their day off.
2. In the event an employee on-call is called out and resolves the call out by telephone, the employee shall be compensated for a minimum of thirty (30) minutes or actual time worked at the overtime rate (time and one-half).
3. When the employee exceeds the minimum call out, the employee will be compensated at the rate of time and one half (1.5) for all hours worked.
4. Mechanics and Instrument Technicians/Electricians responding to call out may respond directly to the site in their own vehicle or may respond to the plant, get a District vehicle and drive to the site of the problem.

5. In the event that an employee has an accident when responding to a remote site in his/her own vehicle and it is determined that the employee was not at fault, the District will reimburse the employee for the cost of the employee's deductible, up to \$1000.
6. In the event that the number of Instrument Technicians/Electricians (ITEs) available for on-call duty is projected to drop below 4, for a period exceeding 4 weeks, the following procedure shall be followed.

A group of management and union employees, to be named by the JLMC, will meet to review implementing one or more of the following options:

- 5) Include the qualified Coach in the rotation for on-call.
- 6) Train a current USD employee to troubleshoot specific equipment that may lead to frequent call-outs.

Selection of an option will be based on consideration of the following:

- Availability of eligible staff
- Anticipated duration of period with less than 4 staff available for on-call duty
- Workload during the period
- Vacation schedules

If the group is unable to agree on an option, Option 1 will be used.

The joint group will consist of no fewer than four people, 2 management and 2 classified employees, ideally subject

matter experts who know the work. If there are no subject matter experts available, the District may provide input on qualification/criteria for the selection of the joint group. The Union retains the right to select the 2 classified joint group members. The joint group may mutually agree to change the composition of the panel.

For the Casual Receptionist position, a permanent joint group would be established for all such recruitments. The permanent joint group would consist of the current or former receptionist, one TS Administrative Specialist (AS), the TS CST Coach and the TS Work Group Manager. The AS would be selected by TS management based on workload.

Step #2: The joint group will determine if a useable list exists for the current vacancy. If a useable list exists, a process will be followed to poll current employees for interest in applying for the position. If there is interest, the joint group will screen and test any internal candidates and merge them into the existing list.

Qualified employees not already on the useable list may take the test one time per recruitment.

For the Casual Receptionist position, if a useable list exists, skip Step #2, and go to Step #4.

Step #3: If no useable list exists, an open recruitment (internal and external) will be undertaken. A Human Resources professional will work with the joint group to design the selection process, which includes developing application materials, screening applications, and developing the Qualifications Appraisal Interview (QAI) and other relevant selection processes. The joint group will comprise the QAI panel, unless the joint group agrees to alternates, and will oversee and/or participate in the selection process, in order to establish the rating and ranking of candidates for further consideration. The joint group will recommend candidates for the hiring interview.

For the Casual Receptionist position, if no useable list exists, the permanent joint group identified in Step #1 shall be the joint group to work with Human Resources on the recruitment. At the QAI, the panel will rank the candidates for filling positions.

Step #4: The joint group will select, and may participate in, a team hiring interview panel, which may include the hiring manager, if he/she desires. The hiring interview panel conducts the hiring interview, including evaluation of the finalists' "fit" with the team/organization, work history, motivation, etc. The joint group and hiring panel makes a recommendation of the top candidate and other candidates to be considered by the hiring manager. If internal and external candidates are determined to be "substantially equal," preference will be given to internal candidates. If two or more internal candidates are determined to be "substantially equal," seniority will be given a preference. Note: "Substantially equal" candidates are those candidates whose total combined scores on all scored testing components are within a five percent (5%) range of each other.

Note: Scored testing components generally consist of the written examination, performance test, and QAI.

For the Casual Receptionist position, if a useable list exists, candidates will be invited to the Hiring Interviews in order of ranking.

Step #5: The hiring manager will conduct a hiring interview and will make a tentative selection.

Step #6: The manager will then meet with the joint group to discuss his tentative selection before making the final decision.

For the Casual Receptionist position, the hiring manager will make the selection decision and notify the joint group via email.

Step #7: Human Resources will meet with the joint group to debrief the hiring process.
For the Casual Receptionist, no debrief meeting will be held.

Periodically, new elements of work may be identified that could be performed by either USD employees or outside contractors. The “Contract Work Flow Chart” and the “Contract Work Decision Making Guidelines” included in Attachment C will be used to make this evaluation. The following process will be used to review contract work:

- 1) Each of the operating work groups will create a consistent joint group with a maximum of 6 members to follow the flow chart and to make decisions regarding contracting out work. This group should consist of the employees who are involved in the planning of the work. Other work groups will establish a joint group as needed.
- 2) Work groups may decide on specific tasks which can be contracted out on a regular basis without the need to use the flow chart each time this work is needed. Contract work will be reviewed on periodic basis to ensure the reasons for contracting out the work remains valid.
- 3) If the joint group cannot make a consensus decision on how work should be accomplished, the decision will be made by the Work Group Manager. The Work Group Manager will explain to the joint group the basis for his decision.
- 4) If work is contracted out, a determination should be made about the value of shadowing the contractor for training/learning and quality assurance purposes.
- 5) The Work Group Steward will be notified when contracting out of work is being considered.
- 6) All contracted work will be reviewed annually by a JLMC task force to look for trends and evaluate whether the work can be done internally in the future.

31.2 Temporary Workers

Periodically management may identify work that may be appropriate for temporary workers. When evaluating the need for hiring temporary workers, the process shown in Attachment D, “Temporary Work Flow Chart”, will be followed. For a Temporary Receptionist, refer to Attachment B.

The notice will designate a Human Resources employee as the lead or contact person.

During the investigation, Human Resources will provide updates regarding the investigation to the impacted employee(s) and Union every three (3) working days.

A Union representative will be present during interviews with any classified employee, unless the employee declines Union representation.

In the event that a disciplinary matter is the subject of an arbitration hearing, the arbitrator may not consider a failure to meet the time limits contained herein as a basis to reverse or modify the disciplinary action.

SECTION 33 GRIEVANCE PROCEDURE

33.1 Purpose

The purpose of the grievance procedure is to:

- promote improved employee relationships by establishing grievance procedures on matters defined below
- afford employees, individually or through the Union, a systematic means of obtaining further considerations of problems after a reasonable effort has failed to resolve them through discussion
- provide that grievances shall be settled as near as possible to the point of origin
- provide the grievance procedure shall be as informal as possible.

33.2 Matters Subject to Grievance Procedure

For the purpose of this MOU, a grievance is defined as an allegation by a permanent or probationary, promoted, demoted, or transferred employee that the District has failed to provide a condition of employment which is established by ordinance, resolution, written departmental rule, or by this MOU; and provided that the condition of employment which is the subject matter of the grievance is a matter within the scope of representation as defined under Section 3, Rights of Recognized Organizations.

An employee who has received a Notice of Proposed Discipline and has received the decision of the “Skelly Officer” may appeal the Skelly Officer’s decision within six (6) regular working days in accordance with Section 33.5(b) Second Level of Review, or request Step 2 of the Informal Grievance Procedure [Section 33.4(b)] be followed.

The designated Skelly Officer shall not be the work group manager who responds at the second level of review.

33.4 Informal Grievance Procedure

33.4(a) Step 1

An employee who has a grievance, problem, or complaint should first try to get it settled through discussion with his/her coach, with or without his/her steward, and without delay. The coach must give the employee an answer within one (1) working day.

If, after this answer, the employee does not believe the issue has been satisfactorily resolved, he/she shall then have the right to file a formal grievance in writing or pursue Step 2 of the informal process within six (6) working days.

If the incident in which the employee feels he/she is grieved occurred during the absence of the employee from work and he/she had no knowledge of said incident, the six (6) working day period will commence upon his/her return to work.

The request to continue to follow the informal process must be agreed to by both the Union and Management. If Step 2 of the informal grievance procedure is pursued, the parties agree to suspend the time requirements to file a formal grievance [Section 33.5(a) or 33.3 for Disciplinary Grievances].

33.4(b) Step 2 (Optional)

The General Manager and Union President will meet to discuss the issue and determine the process and who should be involved. The Informal Process may include the employee, union leadership, Human Resources staff, and/or other management.

If there is no satisfactory resolution from the informal grievance process, the employee has the right to file a formal grievance within six working days of the conclusion of the informal grievance process. If the grievance is pursued it will be filed at the Second Level of Review [Section 33.5(b)]. The parties (employee, Union, and Management) may mutually agree to waive the Second Level of Review and the employee may file the grievance at the Third Level of Review [Section 33.5(c)].

33.4(c) At any time during the informal process, the employee can file a grievance in accordance with 33.5, ending the informal process.

33.5 Formal Grievance Procedure

33.5(a) First Level of Review

A grievance shall be presented in writing to the employee's coach as designated. The coach's decision shall be in writing and returned to the employee within (6) working days after receiving the grievance. If the issue is not resolved, or if no answer has been received within six (6) working days, the employee may present the appeal in writing to the next level of authority, as described in 33.5(b). Failure of the employee to take further action within six (6) regular working days will constitute a withdrawal of the grievance.

The employee may request the assistance of a recognized Union organization representative at this or any subsequent step of this procedure.

33.5(b) Second Level of Review

The work group manager, after receiving the grievance, should discuss the grievance with the employee and his/her steward and also with other appropriate employees. He/she shall render a decision in writing and return it to the grievant within six (6) working days after receiving the appeal. UNION SANITARY DISTRICT
And
SEIU, Local 1021**

Regarding Section 5.9 Temporary/Special Assignment Pay

Representatives from SEIU, Local 1021, and representatives for the Union Sanitary District met and mutually agreed to modify Section 5.9 of the Memorandum of Understanding between the parties in the following manner, and that calculations for this pay will go back to the start date of the MOU on February 26, 2019:

5.8 Temporary/Special Assignment Pay

In the event any classified employee 1) is temporarily assigned to and performs duties in a classification higher than his/her own or 2) performs work that requires higher-level knowledge, skills and ability than their current classification requires and may be temporary or long term, the District will pay the employee in the following manner:

5.9(a) The employee will be paid five percent (5%) above the employee's normal hourly rate or one dollar (\$1.00), whichever is greater, but in no case greater than Step 5 of the higher-paid classification, for each hour performing the higher-level work. Qualified back up CS Lead Workers and Planner/Scheduler employees shall be paid ten percent (10%) above the employee's normal hourly rate when performing the work, but in no case greater than Step 5 of the CS Lead Worker and/or Planner/Scheduler 2 positions or vacancy currently being filled.

5.9(b) After 60 consecutive calendar days in which the employee works all his/her normally assigned work hours in the same assignment, the employee will be paid at the rate the employee would receive had he/she been promoted to the higher-level classification according to MOU Section 5.1(a), for the duration of the assignment.

Any assignments exceeding 60 consecutive calendar days will be reviewed at the JLMC. For unclassified positions, the first step of the higher class is defined as eighty percent (80%) of the most current Market Survey Average (MSA) for the classification.

5.9(c) In the event an employee performs work which requires certification by an agency outside the District and such work is not required of all employees in the same classification, the employee shall be paid consistent with Section 5.7(a).

Additionally, the employee will be paid consistent with the following schedule for initial certification and recertification. Changes and additions to the schedule will be approved by the JLMC.

Certificate	Initial Certification	Renewal	
Underground storage tanks	\$300	\$300 (every 2 years)	
Crane Operator*	\$600	\$600 (every 5 years)	+ \$4.00/hr while operating the crane, in lieu of 5.8(a)
Backflow/Cross Connection Prevention	\$400	\$400 (every 3 years)	
Qualified Applicator**	\$250	\$100 (every 2 years)	
NASSCO ***	\$225	\$225 (every 3 years)	

* Certified crane operators will receive \$4.00/hour when operating the crane, which includes lifting a load, planning out the lift of a load, rigging the load, setting up the crane for a lift, conducting the pre-trip inspection of the truck, training others/in training, inspecting the truck or performing preventive maintenance, driving to and from job site where the lift will be performed, and stowing truck. If multiple crane operators are on-site and working together to perform the task, then all operators will be paid.

When the truck is on the job site but isn't being used or when the truck is being driven to the repair shop, the employee is not eligible for the \$4.00/hour premium pay.

**Certified qualified pesticide applicators shall be paid consistent with Section 5.7(a) when performing work, which includes mixing/loading/transporting chemical, applying pesticide, cleaning up, being trained to maintain license, training others, preparing equipment, stowing truck, keeping records, and storing chemical.
